About Pathways and the Wise Group

At Pathways, we provide community-based mental health and wellbeing services throughout New Zealand. We support people to live well and be part of the communities of their choice by providing a range of support services around practical daily living, leading a healthy life, employment, and housing. Pathways was established in 1989, introducing a new model of care to the mental health sector. Today, with our inspirational purpose of 'supporting people to live full lives; hopeful and connected to what matters', we're continuing to lead, innovate and pioneer new ways of working.

At Pathways we believe in upholding the articles of Te Tiriti o Waitangi and recognise it as the founding document of Aotearoa. We have a rautaki Māori. This is the platform that sets our expectations and approaches for addressing equity. The articles of Te Tiriti inform how we develop and design our kawa to ensure the mana of kaimahi, tāngata whai ora, taiohi and whānau remain upheld. Te reo Māori me ona tikanga influences our organisation. This means our practices, approaches, organisational rhythms and celebrations are informed by Māori tikanga.

We believe everyone can recover and we're here to do everything we can to support them in their recovery. Our wairua or spirit of 'whatever it takes' is not just a slogan on the wall for us, our employees live this spirit every day. While mental health is our priority, total wellbeing is our goal. We work to strengthen whānau. We're all about hope, respect and providing personalised support that changes as people's needs change. We are committed to working in a trauma informed way, recognising the impact trauma may have had on people & working with them to build resilience and protective factors. Join us on our journey of helping people live a life they love.

Real

Real, the youth brand of Pathways, has been delivering services since 2010. At Real we believe mental wellness and wellbeing are possible for every young person. We are inspired by the dream that every young person can feel great about their future and help shape their community. We support young people to build resilience and wellbeing in youth-oriented, flexible, fun, and optimistic ways.

Real provides a range of community based and residential services nationally in partnership with Te Whatu Ora, Manatu Hauora and Oranga Tamariki. We seek to respond in ways which recognise and celebrate the mana of the young person. We help young people feel great by supporting them to build life skills, resilience, and strong connections with their whānau, friends and communities.

The Wise Group

Pathways is part of the Wise Group, one of the largest non-government providers in Aotearoa New Zealand. The Wise Group is a family of charitable entities, all linked by a common dream – to create new opportunities for the wellbeing of people, vulnerable populations, organisations, and communities.
